SDG 4: Quality Education

UN Sustainable Development Goal Target: Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all.

EXECUTIVE SUMMARY - SDG 4: QUALITY EDUCATION
Heliopolis University (HU) actively advances SDG 4: Quality Education through an integrated model of higher education, scientific research, community development, and operational practice.

1. Key Institutional Achievements & Initiatives (2025)

- **Education for Sustainable Development (ESD):** 399 academic staff members trained through 23 ESD professional development modules.
- **Core Program:** Universal mandatory interdisciplinary track (12 mandatory + 6 elective courses) embedding humanistic values, arts, social sciences, and deep ecology.
- **Community-Based & Experiential Learning:** Over 2,000 students engaged in CBL, PBL, and IBL methodologies connecting academic learning with societal challenges.
- **Training Academy:** Delivered 22 courses across 54 training groups to 1,053 staff members, covering vision, sustainability, circular economy, and arts.
- **Arts for Climate & Science Club:** Reached 1,800 school students through climate-focused arts education and transformed protected area science clubs.

2. Key Performance Metrics & Data Summary

Performance Metric / Indicator	2025 Reported Value
Academic Staff Trained in ESD Modules	**399**
Staff Trained via Training Academy	**1,053**
School Students Reached (Arts for Climate)	**1,800**

3. Contributing University Faculties, Centers & Ecosystem Partners

- Education for Sustainable Development Center (ESDC)
- Core Program
- Training Academy
