SDG 9: Industry, Innovation & Infrastructure

UN Sustainable Development Goal Target: Build resilient infrastructure, promote inclusive and sustainable industrialization and foster innovation.

EXECUTIVE SUMMARY - SDG 9: INDUSTRY, INNOVATION & INFRASTRUCTURE
Heliopolis University (HU) actively advances SDG 9: Industry, Innovation & Infrastructure through an integrated model of higher education, scientific research, community development, and operational practice.

1. Key Institutional Achievements & Initiatives (2025)

- **Office of Sponsored Programs (OSP):** Manages 28 active externally funded projects with a total funding portfolio of €7.38 million across EU and global programs.
- **Office of Technology Commercialization (OTC):** Partnered with ASRT to build intellectual property and technology transfer frameworks.
- **Advanced Research Laboratories:** Operating specialized Medical, Soil, Water, and Microbiology laboratories for applied scientific innovation.
- **FabLab Prototyping Facilities:** Providing prototyping tools, equipment, and mentorship for engineering and business students.
- **EMUNI Knowledge & Innovation Center (EKIC):** Established at HU in collaboration with Euro-Mediterranean University to foster Mediterranean research and innovation.

2. Key Performance Metrics & Data Summary

Performance Metric / Indicator	2025 Reported Value
R&D Portfolio Value	**€7.38 Million**
Active Research Projects	**28 Projects**
Scientific Publications in 2025	**134 Publications**

3. Contributing University Faculties, Centers & Ecosystem Partners

- Office of Sponsored Programs (OSP)
- Entrepreneurship Center for Social Impact (ECSI)
- Research Laboratories
