SDG 10: Reduced Inequalities

UN Sustainable Development Goal Target: Reduce inequality within and among countries.

EXECUTIVE SUMMARY - SDG 10: REDUCED INEQUALITIES

Heliopolis University (HU) actively advances SDG 10: Reduced Inequalities through an integrated model of higher education, scientific research, community development, and operational practice.

1. Key Institutional Achievements & Initiatives (2025)

- **Inclusive Higher Education:** 1,871 scholarships and financial aid packages awarded to ensure equal opportunity regardless of socio-economic background.
- **International Student Inclusion:** Hosting 443 international students across HU faculties in an inclusive, multi-cultural environment.
- **Rural Healthcare Equity:** Bringing free specialist physiotherapy (1,100 patients) and preventive medical screenings (2,367 farmers) directly to rural communities.
- **Leadership for Sustainability Program (LSP):** Fully funded scholarships paired with leadership and personal development for promising youth.
- **Unified DEI Framework:** Institutional policy ensuring non-discrimination, equal pay, and equal growth opportunities for all background groups.

2. Key Performance Metrics & Data Summary

Performance Metric / Indicator	2025 Reported Value
Scholarships Provided	**1,871 Packages**
Enrolled International Students	**443 Students**
Patients in Rural Outreach	**1,100 Patients Treated**
